

Avvio Networks Announces the Appointment of Rick Madden to Sales Manager.

Avvio Networks is pleased to announce that Rick Madden has joined the company as National Sales Manager. Rick brings years of experience in optical and telecommunications to Avvio Networks.

“We are very pleased Rick has accepted our offer to join the Avvio Networks team. His experience in growing a sales organization is a great advantage to Avvio Networks as we grow to meet the challenges of serving our expanding customer base,” said Leo Goyette, founder and CEO. “In addition to his sales experience, we feel Rick is a valuable addition to the company for his ability to work in and foster a team environment”.

About Avvio Networks:

Founded in 2001, Avvio Networks is a leading provider of cost-effective, intelligent networking products designed to enhance the performance of optical networks and providing state-of-the-art performance in new or expanded networks. Information about Avvio Networks is available at www.avvionetworks.com

Avvio Networks is a trademark of Avvio Networks.
